

Guitar Lessons – Session 1

For Grades 3 – 5

We are very happy to announce that Mr. Pachan will start lessons for guitar students on October 2nd. The classes will be held on Monday and Wednesday evenings during the **first session** of STAR and will continue until December 13th.

The lessons will be half hour long rotations. You will not need to provide a guitar for the lessons. We have them available. Students will attend their lesson and then either report to the library for homework/academic enrichment opportunities or will join the rest of the STAR students in the area where their classmates are meeting for the evening.

Yes, I would like my child to attend the guitar lessons that will begin Monday, October 2nd.
